

Uvex Seismic® Sealed Eyewear

WITH READING MAGNIFIERS

Delivering unmatched protection against impact, wind, dust and debris, Uvex Seismic offers a range of diopter strengths for workers needing increased magnification for reading, inspection, and other fine detail work. The wraparound design provides exceptional coverage while precise placement of the magnifiers allow for distortion-free vision. Uvex Seismic Reading Magnifiers: powerful eyewear for today's demanding work environments.

All Uvex® lenses offer 99.9% ultra-violet protection.

Features

- Superior coverage ideal for dirty, high-particulate work environments such as grinding, chipping, shaving and sanding.
- Available in Clear with Uvextra™ Anti-fog coating and three diopter strengths: +1.5, +2.0 and +2.5 magnifications.
- Superior antifog coating, coupled with top and bottom indirect ventilation, minimizes fogging to keep workers safe and comfortable all day.
- Flexible design can be worn with temples or with headband as conditions change.
- Soft, flexible nasal pads conform to a variety of facial profiles and minimize slippage.
- Soft, high-quality face cushioning and padded temple tips offer all-day comfort.
- Highly adjustable flame-resistant headband provides excellent fit.
- Replaceable flame-resistant, cushion-lined subframe and headband extend the life of the eyewear.
- High impact protection certified to ANSI Z87+ (High Impact) and CSA Z94.3 standards. (ANSI-certified for use with and without cushion-lined frame).
